

Prayer Drive - May 5, 2024

Let's cover Pearl River Association in prayer in one drive on one day! On May 5, after the morning service, we are asking every church in the PRBA to join together to cover the whole region in prayer, asking God to bring an awakening among His people and a harvest among the lost. Simply take these prayer points as you leave church and take a longer and intentional route to your next destination. As you drive, pray these points over your community and let's keep our eyes open and see what God will do.

Pray for non-believers in the area

- For receptive and repentant hearts
- For people's spiritual eyes and ears to be opened
- For Satan to be bound and people released
- For cults and false churches to be closed

Pray for believers in the area

- For Christ to guard and protect them
- For Christians to be unified in the purpose of expanding His kingdom
- For believers to be set apart in His likeness
- For spiritual awakening among families and nations

Pray for your church

- For workers to enter the harvest field
- For your church members to be unified and love one another
- For God to remove pride, immorality, idolatry, gossip, and division from the church
- For repentance and revival among members
